

Through health information exchange, KAMMCO connects members of the healthcare team to help improve clinical outcomes, reduce inefficiencies, and positively impact patient safety.

CONNECT.
ANALYZE.
ENGAGE.
TRANSFORM.

What are you waiting for? Get **CONNECTed** and let KAMMCO provide you with the tools necessary to:

- Access patient information in a timely, secure manner
- Improve care coordination and patient safety
- Increase physician/patient communication
- Meet requirements for MIPS/APMs

Join KAMMCO and **CONNECT** to healthcare providers and facilities in Kansas, across the country, and around the world.
