Med-IQ Online Learning Course

Can my organization, practice, or group watch the webinar together?

Yes. Request a [Group Viewing Registration Form](#) at least one week before the webinar date.

This option is only for groups watching **together in one location**. If your team will be joining from separate locations, each person will need to register individually.

Can I complete the Med-IQ online Loss Prevention course with a group?

No. Participants must complete the Med-IQ online Loss Prevention course individually.

How do I make sure I get my 5% Loss Prevention Credit?

Individual Members

By participating in the 2025 Loss Prevention program, eligible insureds receive a **5% loss prevention credit** on their 2026 policy premium. This applies to individually insured members.

Facility Members

For insured facilities to receive the **5% loss prevention credit** on their 2026 policy premium, the facility's administrator or the risk manager must participate.

Participants who attend a webinar must successfully connect to the webinar to receive the premium credit. Similarly, those who attend a webinar as part of a group must sign the participation roster to receive premium credit.

Participants who KAMMCO does not currently insure may be eligible to receive a policy premium credit if they become insured by KAMMCO within one year after participation.

How do I connect to the Loss Prevention webinar?

- Following registration in a the webinar, participants will receive a confirmation email from **Zoom** with connection details. If you don't receive a confirmation email, contact Jacqueline Grunau at jgrunau@kammco.com.
- If on the day of the webinar you have trouble connecting to the webinar, call the KAMMCO main line at **1.800.232.2259**.

How do I access the Med-IQ online Loss Prevention course?

The Med-IQ online Loss Prevention course will be available from August 1 to September 30. Participants will log into their Med-IQ account, then find and complete the Loss Prevention course.

Login to the Med-IQ site here: <https://kammco.med-iq.net/Security/Authentication/Login>

Information on how to register an account on Med-IQ can be found here: <https://www.kammco.com/risk-mgmt/online-learning-center/med-iq/>.

How do I receive continuing education credit and access my CE certificate after I've attended the Loss Prevention program on-location or via webinar?

1. Participants are required to record their own attendance to receive continuing education credit. KAMMCO will distribute an **Activity Code Sheet** during the webinar.
2. All participants, including those in group viewing sessions, must submit the **Activity Code** via the **Stormont Vail Continuing Professional Development "eeds" website**. Participants can do this via text message, the eeds app, the eeds website, or by scanning the provided QR code. If you do not have an eeds account, you will be prompted to create one.
3. Following the event, you will need to complete the evaluation on the eeds website. You can then access your CE certificate from your account on the eeds website.
4. Email continuinged@stormontvail.org for assistance with eeds.

NOTE: To be eligible to receive CE credits for attending an **on-location Loss Prevention event**, participants must sign the attendee roster. To be eligible to receive CE credits for attending the **Loss Prevention program via webinar**, participants must individually connect to the live webinar or attend a group viewing and sign the attendee roster.

How do I print my CE certificate for the Med-IQ online Loss Prevention course?

Download instructions on how to print your CE certificate here: [Med-IQ CE Certificate Download Instructions](#)

Will a recording of this year's program be available?

No. But recordings of other relevant KAMMCO education presentations are available in the KAMMCO Education Library.
